

CORE COMPETENCY FORM INSTRUCTIONS

I. PhD Core Competency Form Instruction

Once you complete the 3 CSCI Core courses and met the CSCI core GPA, you will follow these steps. You will now submit the 1.) PDF of the Core Competency form to your Major professor, Committee members, and Graduate Coordinator, Dr. Liming Cai and 2.) Athena unofficial transcript to Major professor, Committee member, and Graduate Coordinator, Liming Cai, by email for signatures and approval. Second, upload the completed PDF through the Core Competency course on eIC. Finally, you will submit the unofficial PhD Computer Science Athena transcript in the PhD transcript course in eIC. You all have been registered for these courses in eIC. If not, contact Ms. Samantha Varghese, slvargh@uga. We have created assignment folders titled:

- *PhD Core Competency Form*
- *PhD Computer Science Unofficial Athena transcript*

The Core Competency forms are found on our website under Graduate Student Resources, Forms. Please download the document. You may look at the assignment descriptions for more details.
